### Chick Dissection | One Way!

#### Jack Chick Dissections

Eh, alright. I'm not going to really going to attempt to argue with this one, I'm just going to make fun of it. It's kinda meant for little kids, apparently, and there are very few words. It's just stupid.

"There's only ONE WAY to give a rectal exam!"

1: "Come, children, I want to show you my collection of giant grapes."

Hey, check it out! God is an action from Batman! <BAMF!> <POW!> <GOD!>

Jack Chick's "Faceless, Creepy God", coming this fall from McFarlane Toys.

2-1: "Is... is he talking to us or the tree?" "I don't know." "What does he want? Excuse me, what's that, God? You don't want us to point at trees?" "Maybe he's trying to tell us that the tree is very, very hot." "No, no. I've got it. I think he means he doesn't want us to be fruits."

2-2: So Adam and Eve stared at the tree for the rest of the day, wondering what he meant.

3-1: "You know, maybe if we tried one we might know what the fuck he was talking about."

How d'ya like *them* apples? I... I dunno, really. They're a little too poorly-drawn for my tastes. Apples, oranges, nondescript balls... whatever.

3-2: Keep this tree and all poisons out of the reach of children.

You know, what kind of God makes a tree that shits poisonous concrete powder? That's just a really stupid idea for a tree. May as well have made, like, "knifegrass" and "rapebushes" while he was at it. Good thing these trees all apparently died off. Thank God for evolution, I guess.

<CRASH!> <POW!> <SIN!>

4-1: What'd they eat, leperfruit? And where did those clothes come from?

So what's the implication here? Mankind didn't have the ability to smell until they sinned? Or mankind didn't produce any kind of bodily scent? And eating things gives you the ability to summon clothes from nothing?

4-2: And God said unto them, "seriously, get away from me, guys. You smell like someone puked rotten meat onto a burning tire." And it was done. Amen.

5-1: "No, really." \*Stack, stack\* "Stay the hell away from me. What did you two EAT?" \*Stack, stack, stack\* "It's disgusting. You can come back when you *don't* smell like you bathed in rat feces and rotting fish entrails. Thanks!" \*Stack, stack, stack\*

5-2: "You know, Adam, he sort of implied that we should *stop* bathing in this pool of filth." "Yeah, but what else are we going to bathe in? Water? Oh, right, Eve. Like I'm going to listen to you after you did so well with that whole 'apple' thing."

This reminds me of a joke I once heard. Okay, Adam and Eve are in a field having sex, and when they're finished Eve goes over to the stream to clean herself off.

God comes strolling by and notices. "Oh, dammit!" he shouts. "I'm NEVER going to be able to get that smell out of the fish." \*budump-tschhhh\*

6-1: I guess an easy way to counteract this "punishment of god" would be... well... soap.

"Me Tarzan. You... smell like someone's anus."

6-2: "Flintstones: The Deep South".

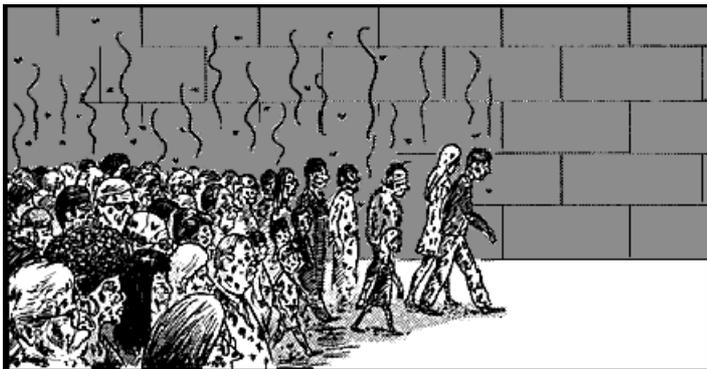

Eventually, they humped out a couple of filthy little shits to stink things up even more.

The look on his face: "\*Sniff, sniff\* 'What is that smell, guys? It's... it's Billy down there, isn't it?'"

7: A typical Alabaman family reunion photo. Or: The cast of the Broadway musical *Stink!*, the not-quite-as-successful sequel to *Stomp!*

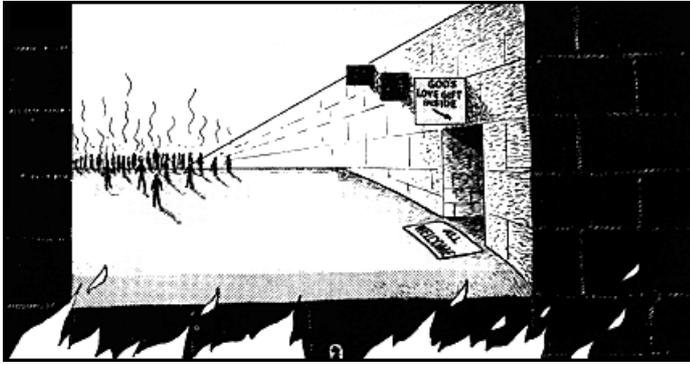

It doesn't even look like the wall is all that high. I'm sure that freakishly tall guy just left of center could easily hoist himself over it.

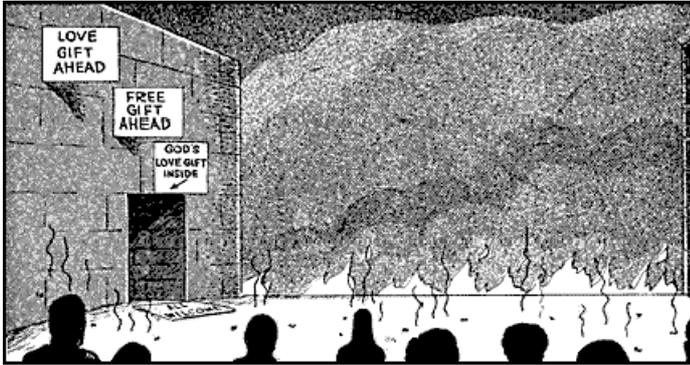

8: *o/` All alone or in twos, the ones who really love you  
 Walk up and down outside the wall.  
 Some hand in hand, some gathering together in bands  
 The bleeding hearts and the artists make their stand.  
 And when they've given you their all,  
 Some stagger and fall, after all it's not easy  
 Banging your heart against some mad bugger's wall.*

The mob seems to be marching along so angrily. Like they're going to go and confront the mayor over the backed-up sewer problem.

Arbitrary black person alert: second one from the corner, afro-tized and stereotyped for full effect. I guess other than that one black woman, all sinners are apparently white.

9: Didn't I see this on an album cover somewhere?

10: Like this doesn't just scream "Roach Motel".

I guess he's trying to say "It's clearly marked!" But that's just stupid. If he'd made it so damn clear, do you think people would've been fighting over it for so many millenia?

It almost feels like cheating for him to use words.

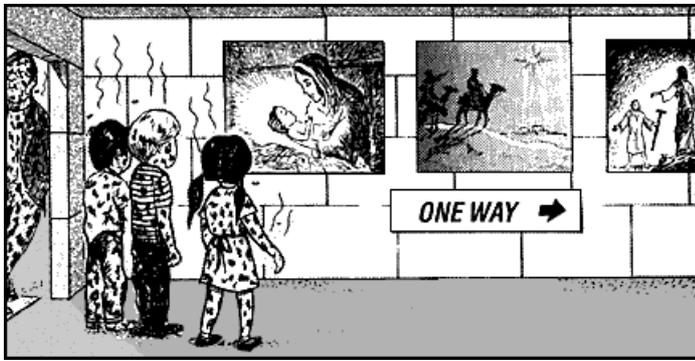

11: "Come inside and check out the World's Most Acute-Angled Architecture!" Seems ol' Jack's "perspective" problem is more encompassing and multi-leveled than I initially suspected.

Okay, okay. Stink lines. We get it.

"Only midgets and children will be saved!"

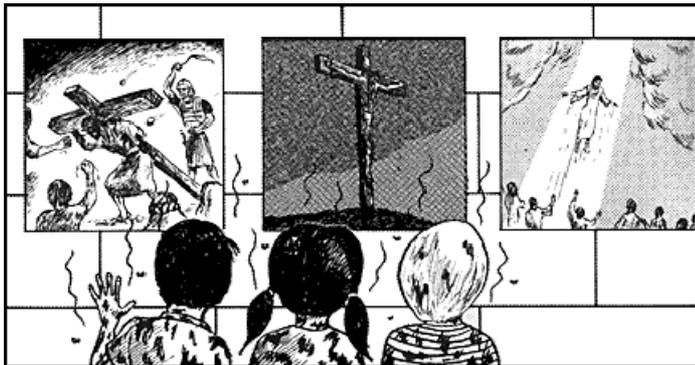

Is it just me or does that sign look like it reads "GOD'S ACNE GIFT INSIDE" from this angle?

Fuck this, I'm going to go and read MAD's "The Lighter Side of..." You know, down at the bottom right corner of the panel, there.

12: Boy, Faceless God sure has a hardon for the whole brick motif, doesn't he?

Without words or a familiarity with the whole "Jesus" story, none of these pictures would make a bit of fucking sense. "Okay, a woman used a baby with a glowing head to look around in her barn. After that, a man on a camel looked at a star. Then a man standing on a small hill gave a man with a t-square directions."

13: "Lower-case 't' attacked the villagers by crushing them. They tried throwing rocks at it and whipping it, but it was unstoppable. It taunted them by holding up one of its victims like a puppet. Then everybody cheered as a man in a robe was abducted by aliens. The end."

The little boy on the left looks like he's trying to explain it to the other two. I wonder what his interpretation is.

14: "God's Free Love Gift." A corpse nailed up to two pieces of intersecting wood. Thanks, God! I love you, too! It's like what a prize on "The Price is Right" would be like if it was hosted by Charlie Manson.

If that's the entrance off to the left there... and Jesus, there, is back a little ways... and there was that hallway of pictures... then what the hell part of the building are they in? Jack has some real issues with space and building geometries.

"Oh, no! Lower-case 't' has returned! Everybody run!"

15: So the kid just instantly hates Jesus from looking at a series of uncaptioned pictures. This seems more like a problem with marketing than anything. Not sure what sold the kids on the right. Six confusing images are all it takes to get them to buy an idea, I guess. I'm not exactly sure if these are the kind of people with whom I want to spend an eternity.

"Jesus Corpse is so *dreeeeeammmy*."

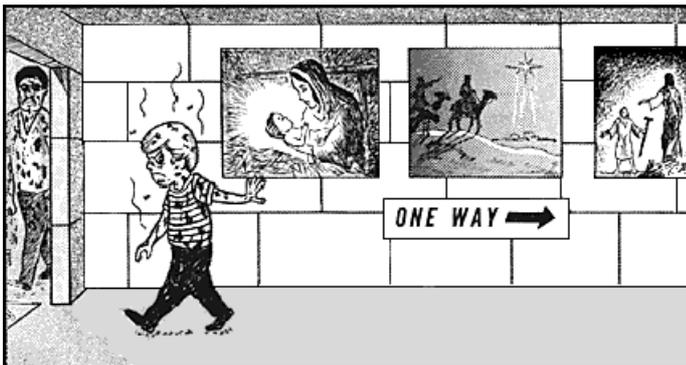

16: "New Downy: Christ's Blood! It gets out even the toughest of stains, and leaves your laundry smelling Mount Sinai Fresh!"

17-1: "He gets our whites whiter! He truly is the Messiah!"

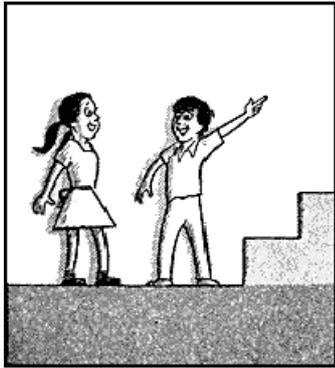

17-2: "Are you saying I can dodge bullets?" "I'm saying that when the time comes, you won't *have* to."

18: "Bah, screw this. If my eternity is a choice between those giddy, obnoxious douchebags or a lake of fire, I'm going to go ahead and pick the less torturous one."

19: "Go ahead, lady, *you* spend the rest of time with those saccharine twits. I'm getting back in line."

20: Oh, God. Even though this is a "silent" cartoon, I can still feel them about to break into song. *o/` Heaven... I'm in heaven... and my heart beats so that I can hardly speak... No doubt they have tap shoes on as well.*

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." John 3:16

21: No, kids! It's a trap! Don't run into God's force shield-*\*BZZZZZTP\** Oh, well.

**THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!**

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6

**NOBODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!**

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your life to become your personal Saviour. See Rom. 10:13

**WHAT TO PRAY**

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart and life as my personal Saviour.

*If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:*

1. Read your Bible every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.

Here's help to grow as a new Christian! Read **The Next Step**, available at Christian bookstores or from Chick Publications.

22: And here is where he makes up for not using words. Blah, blah, blah, Jesus, blah, blah, Jesus, Jesus, blah.

In summary, apples make you stink.

I think one of the most humorous things about this tract is the fact that if one were unfamiliar with the story of Adam and Eve (which, you know, is apparently the assumption Jack makes, since he's trying to be all "educational" and whatnot) it would make absolutely no sense at all. But, whatever. I'm totally fine with getting a bunch of kids all terrified of the letter 't'. It'll make watching Sesame Street more fun.

This is a good one. I am a gay Christian minister, and I Love these parodies. Beware of those creeps at Chick Inc. They have a boner for people who parody Jacks "beloved" work. These are downright Hilarious.

Ha ha haa! These are so freaking funny! Once a year at my school we have Christian wackos hand out Chick tracts to us as we get off the bus. Isn't that illegal or something? Anyway, I was thrilled to discover these parodies! Keep up the awesome work!

You know, my first thoughts on th 9th and 10th panels were that the doorway shown was a gate to Hell, and the signs set up by Satan to decieve people. You know, like when Wile E. Coyote left out a sign that said 'Free Birdseed' in order to trick/capture the Roadrunner. "Free God's Gift, its at the back of this dark secluded alley." The fact that they were set up by God raises some questions, such as:

why Chick draws such crappy signs

If God wants to save us, why is the way to salvation in a creepy looking hole in a wall?

If God wants to save us, why doesn't he do it in a way that's a bit more... obvious? (This is more an attack on Chick's artistic/propaganda abilities than anything else)

Other questions arise that don't immediately pertain to the creepy signs/hole in the wall:

The use of the aforementioned captionless pictures on display to explain some ultimate truth without the aide of those little narrative headsets they rent out at museum exhibits

If the sign in the gallery says 'One Way,' then how was that blonde kid able to leave? Shouldn't Jesus slam the door in his face and cosmically assrape him because there's no turning back now? (After all, by denying us free will, God would effectively be raping us by keeping us in Heaven against our will) Why is the blood falling on the prostrated kids' backs not running down the sides of the rock like fluids NORMALLY do?

Why would God leave a tree that would spray people with shit-collecting powder within easy reach of people who don't know any better, and then tell them to fuck off when they fail to follow His incomprehensible instruction?

Assuming He's able to cast people aside so easily, why is God so excited to have the kids back? I mean, they may not reek of shit anymore, but they'll stink terribly of blood. And that stuff don't come out

Why would all those shit-coated people be walking along the length of this wall towards a big flaming abyss? I mean, there's at least one OTHER direction they could be walking in (and I don't mean the creepy God hole)

It saddens me that there are people out there who take this pseudo-Christian tripe seriously. Personally, I'd prefer Hell to Chick's vision of God and Heaven any day.

Very good parody, man. Tom and Crow would be proud

Actually, not bad for-again-over simplified fundamentalism. No wonder they are usually anti-intellectual.

You are certainly a stereotyper Jabber-enough slams against southerners, none against the multitude of hicks also in NE and West-been there, seen 'um and talked to them.

Stop relying on Jerry Springer-oh, that's right, you are the gullible one to believe anything (see comments from the last posting), except the Truth.

I say "south" *one time* in this *entire thing*, and it's, in case you haven't noticed, a joke. I don't genuinely just arbitrarily dismiss everything or everyone below the ol' Mason-Dixon.

Do you love this tract? Do you want to read it again, with Native American characters? Well, your prayers are answered!

[http://www.chick.com/reading/tracts/1710/1710\\_01.asp](http://www.chick.com/reading/tracts/1710/1710_01.asp)

And notice that the only tract adapted for Native Americans is the one touted as being "Great for children!" Really says a lot about Chick's racial views, doesn't it?
