THE TRUTH ABOUT ABORTION

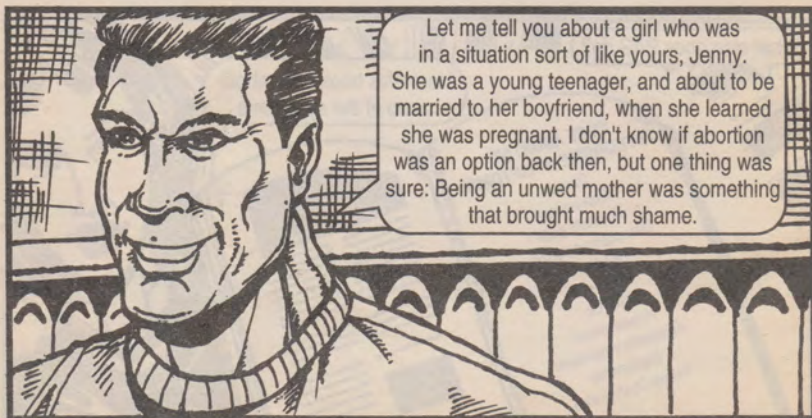

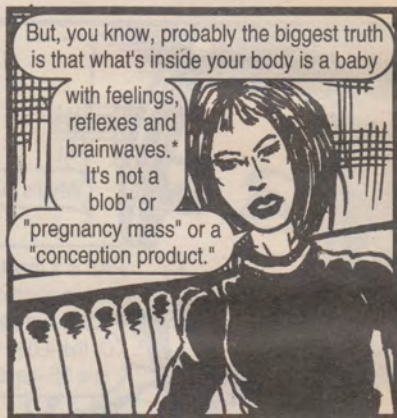

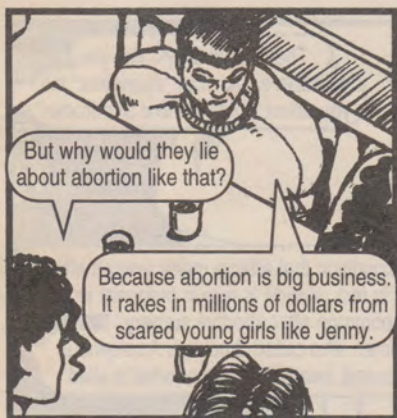

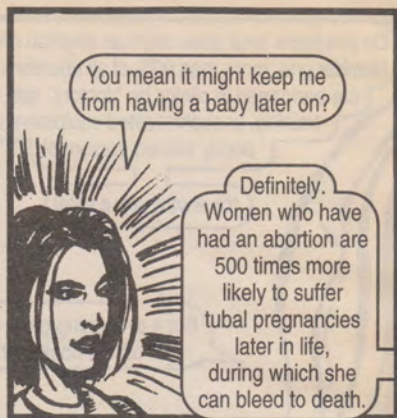

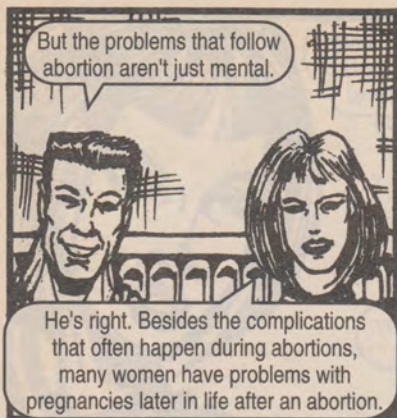

THE BLOB

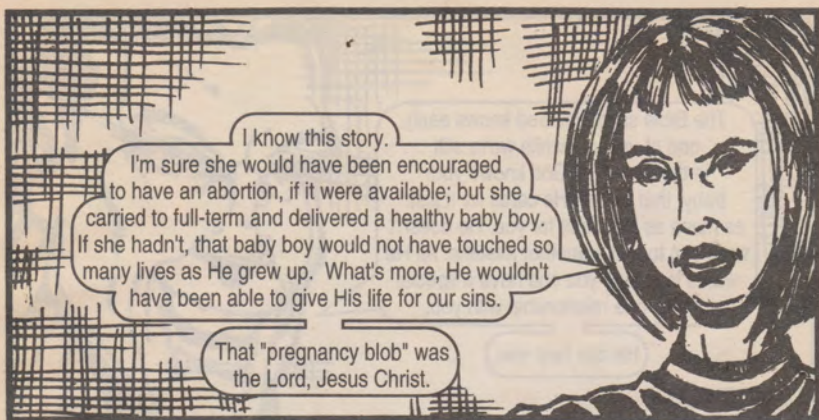

THAT SAVED THE WORLD

I know this story.

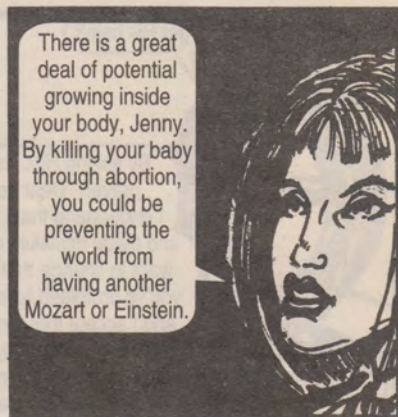

I'm sure she would have been encouraged to have an abortion, if it were available; but she carried to full-term and delivered a healthy baby boy. If she hadn't, that baby boy would not have touched so many lives as He grew up. What's more, He wouldn't have been able to give His life for our sins.

That "pregnancy blob" was the Lord, Jesus Christ.

You see, God spoke to Mary and caused her to become pregnant. He told her that her son would save the world.*

*Luke 1:31-33

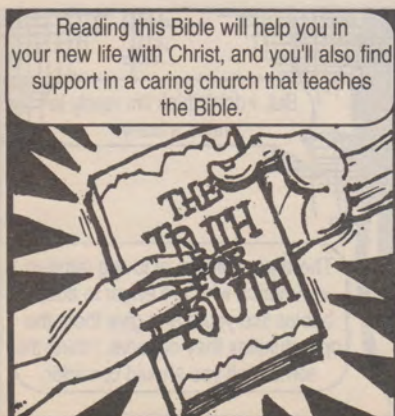

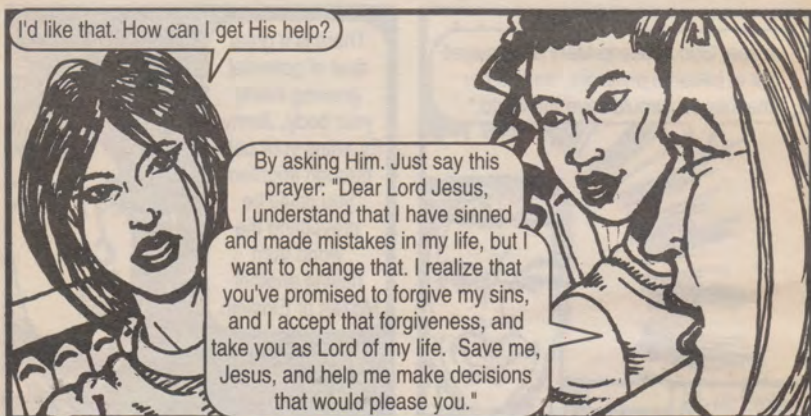

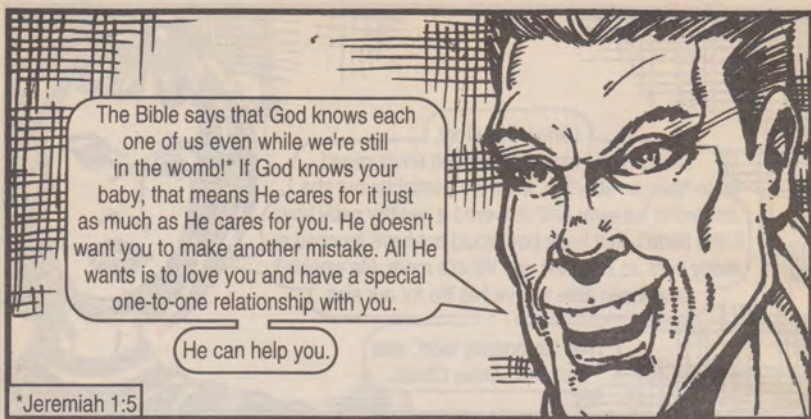

There is a great deal of potential growing inside your body, Jenny. By killing your baby through abortion, you could be preventing the world from having another Mozart or Einstein.

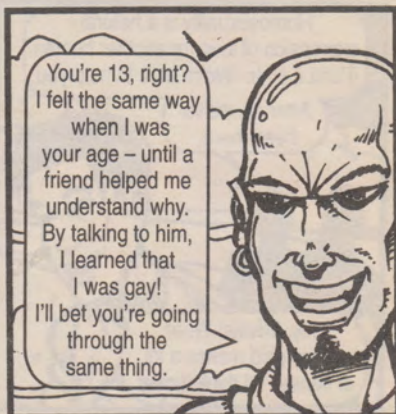

But, I don't think I'm ready to raise a baby.

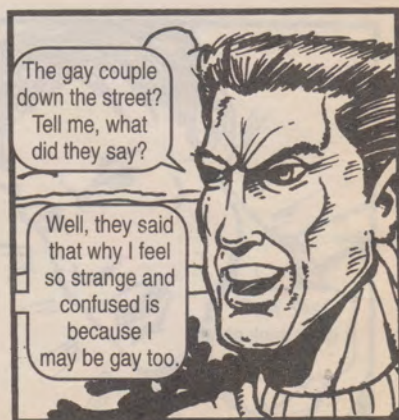

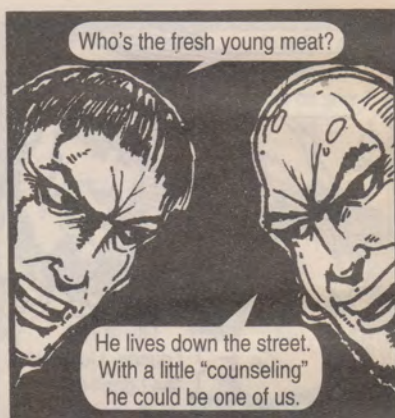

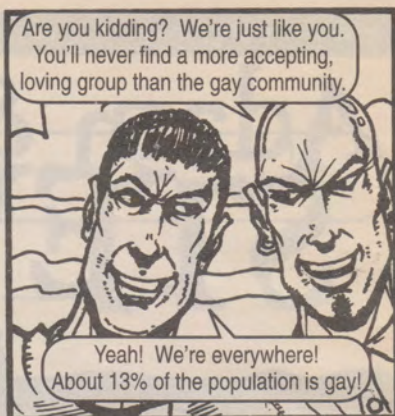

There are millions of loving families in America who are eager to adopt babies like yours and give them the opportunities they deserve. I think it's something you should consider.

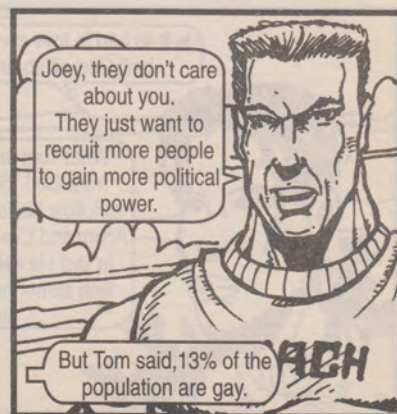

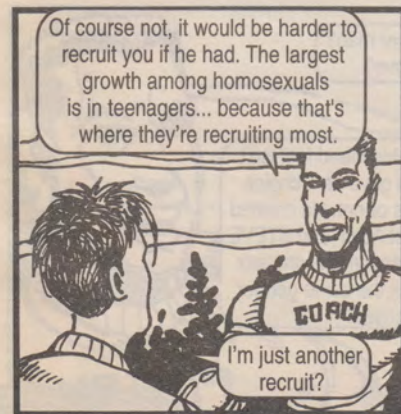

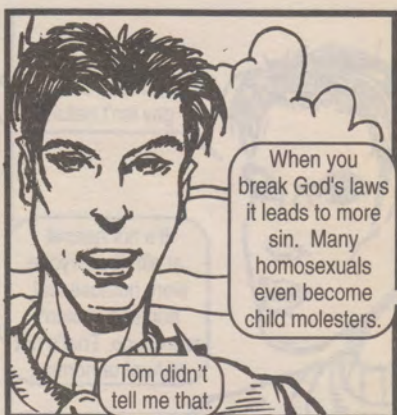

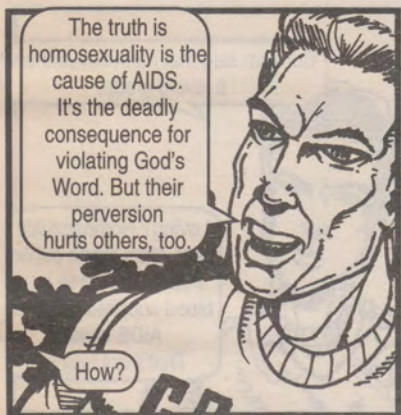

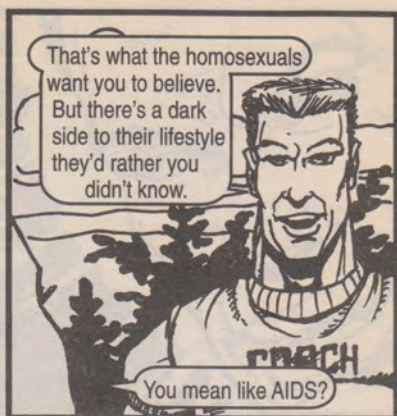

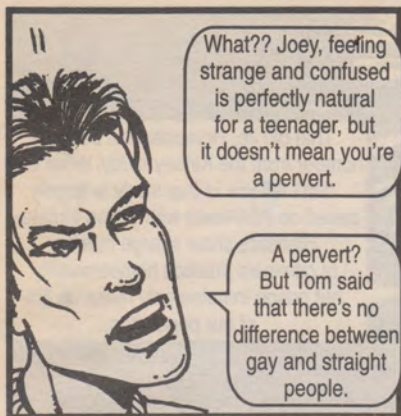

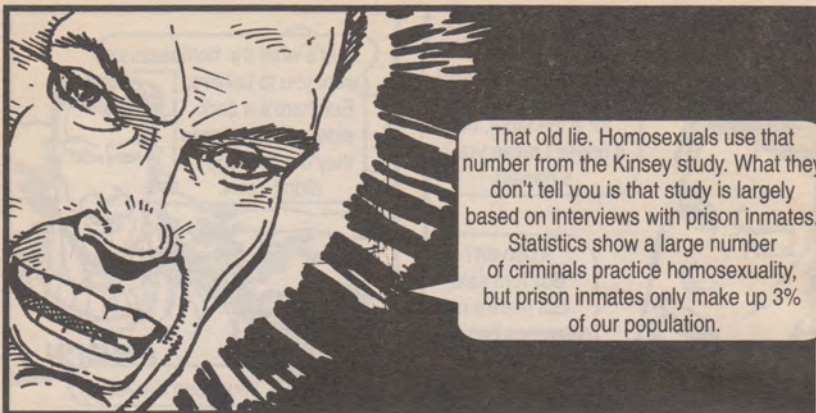

THE TRUTH ABOUT HOMOSEXUALITY

Adam & STEVE???

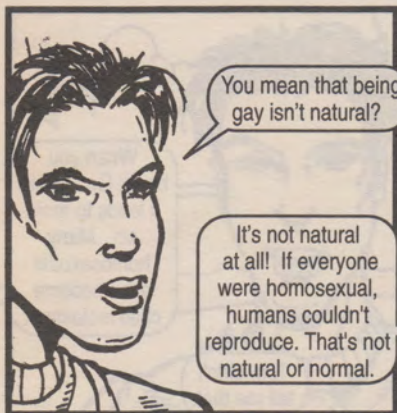

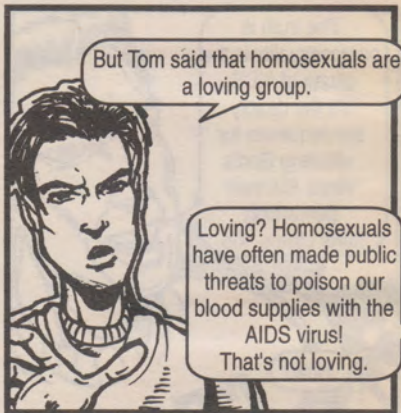

That old lie. Homosexuals use that number from the Kinsey study. What they don't tell you is that study is largely based on interviews with prison inmates. Statistics show a large number of criminals practice homosexuality, but prison inmates only make up 3% of our population.

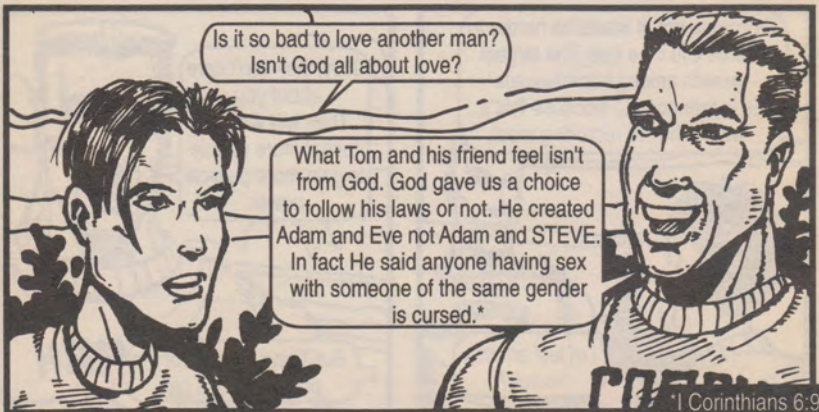

You mean that being gay isn't natural?

It's not natural at all! If everyone were homosexual, humans couldn't reproduce. That's not natural or normal.

But Tom said that homosexuals are a loving group.

Loving? Homosexuals have often made public threats to poison our blood supplies with the AIDS virus! That's not loving.

Is it so bad to love another man?
Isn't God all about love?

What Tom and his friend feel isn't from God. God gave us a choice to follow his laws or not. He created Adam and Eve not Adam and STEVE. In fact He said anyone having sex with someone of the same gender is cursed.*

*1 Corinthians 6:9

Long ago, there were two towns named Sodom and Gomorrah where the people practiced homosexuality. Lot, a good man, lived there. The men of Sodom even tried to rape two angels they thought were male visitors staying with Lot's family. God told Lot's uncle Abraham, that He was going to destroy both cities because of the people's sin. Abraham pleaded with God to save the cities –

– if there was anyone good who lived there, but there wasn't.

The people were too involved with their homosexual perversion to accept God's law. God allowed Lot to leave, but then rained fire on the cities, killing everyone remaining because of their sin against God's natural order.*

*Genesis chapters 18 & 19

The Bible says that the same doom awaits homosexuals today – they'll be punished like all sinners, by burning in Hell for their sins.

So Tom and Bill are going to Hell?

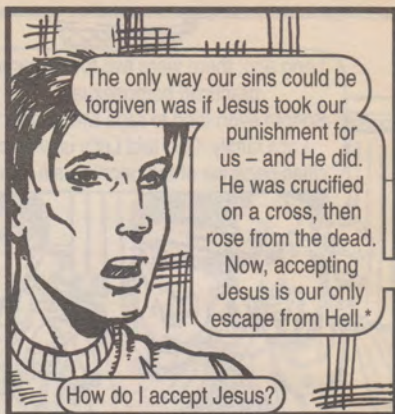

Yes, unless they accept Jesus as Savior and turn from their sin.*

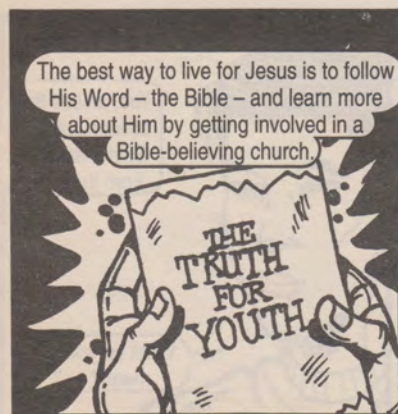

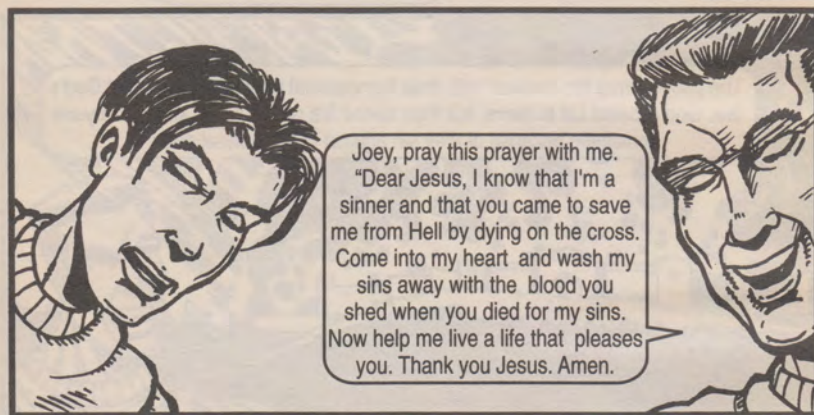

What do you mean?

*Romans 3:23

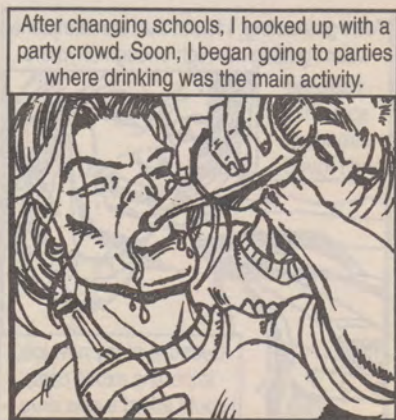

*John 3:16

CASE DISMISSED!!

One night, at a keg party, I was offered something new...

Go on, try it!
It's a better high than beer!

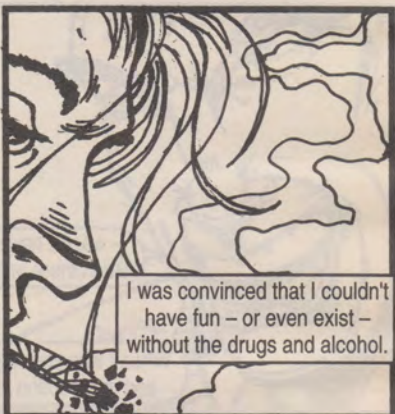

Well, okay.

The drugs and alcohol had begun as my way in, but soon I was using them as my way out. Smoking and drinking became my way of escaping from my troubles.

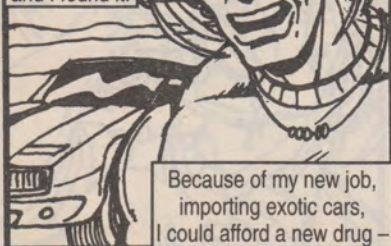

What I couldn't see was that my troubles weren't going away at all. They were just put on the back-burner while I was drunk or high. When I came down, there they were, and I'd need another hit or drink to escape again.

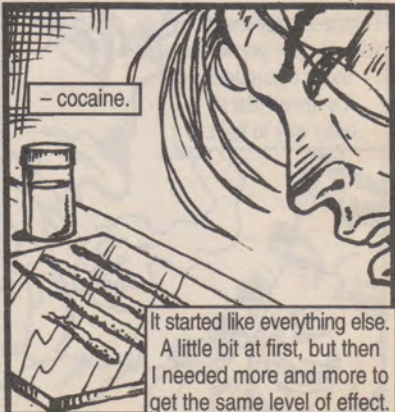

I was convinced that I couldn't have fun – or even exist – without the drugs and alcohol.

After graduating, I found that the marijuana wasn't getting me high enough anymore.

I needed something stronger... and I found it.

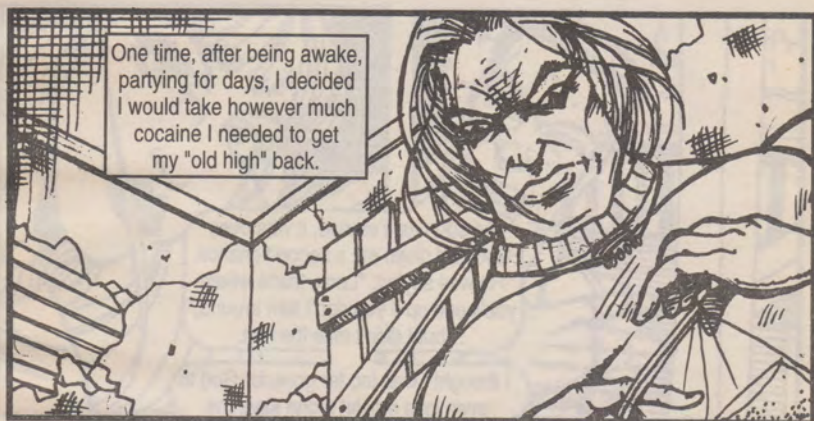

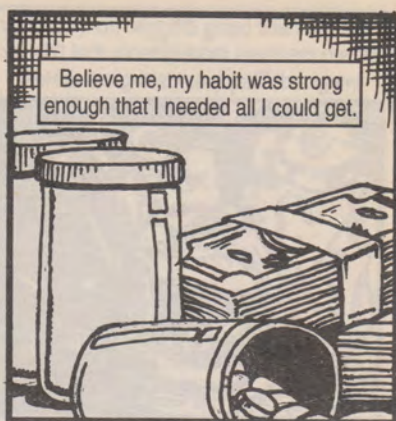

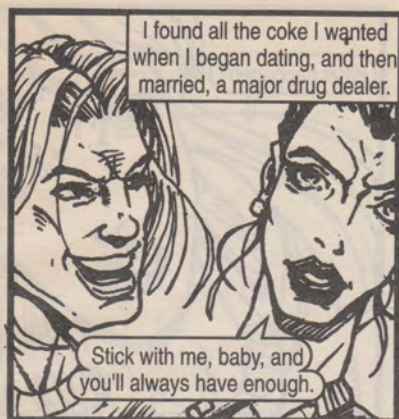

Because of my new job, importing exotic cars, I could afford a new drug –

– cocaine.

It started like everything else. A little bit at first, but then I needed more and more to get the same level of effect.

I felt like I was being dragged from my body by two creatures more hideous than I'd ever imagined! They were taking me to Hell!

What happened?

As soon as it started, it was over. God had given me a second chance. He was saying, "Look, that's where you'll end up if you don't turn around," ...but I didn't take the hint.

I thought I was too far gone for God to even love me, let alone save me.

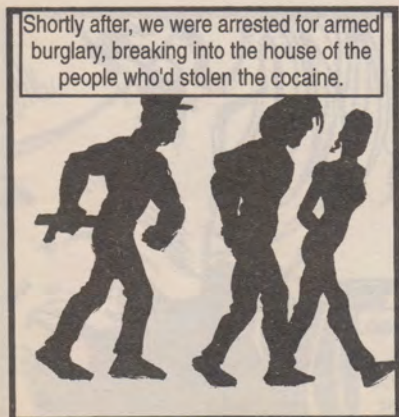

Soon, I was back at it again — hooked up with the same people, doing the same drugs. It was then that I learned that these people weren't friends at all. One night, I noticed something strange...

Hey! something's wrong with my drink!

There should be, we laced it with enough Quaaludes to kill a horse!

I knew that I wanted what they had, so I gave my heart and life to God, and He took away all my habits and sins.

What He gave me was a hunger for His word – the Bible – and the need for a stronger relationship with Him.

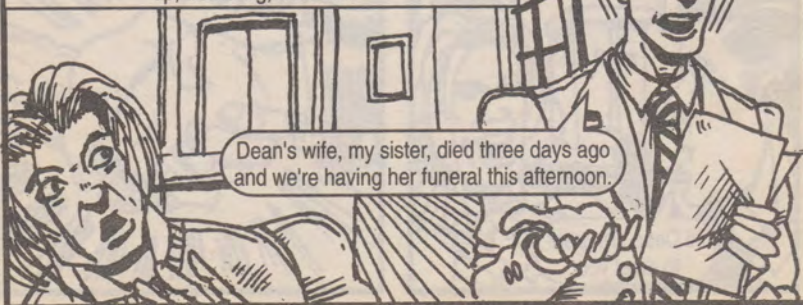

But I still had to pay for my crimes, so I went to court for the trial, ready for my punishment.

The people who had pressed the charges didn't show up; so, to my surprise, the judge slammed down his gavel and said –

As I grew in the Lord, my wife avoided all contact with me. The only way I could contact her was to take her to court to get my furniture back. In the hearing, her brother stood up, trembling, and said –

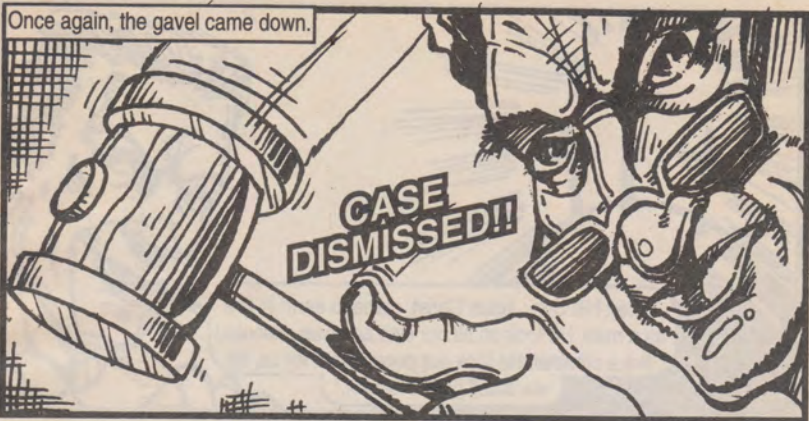

Dean's wife, my sister, died three days ago and we're having her funeral this afternoon.

Once again, the gavel came down.

DISMISSED!!**

A black and white comic panel showing a close-up of a judge's face on the right, looking down with a stern expression. On the left, a wooden gavel is shown in motion, having just struck down. The text "CASE DISMISSED!!" is written in a bold, slanted font across the center.

Three times, I had been seconds
from death, but God spared me.
If I had continued my old lifestyle,
I would have been dead, too.

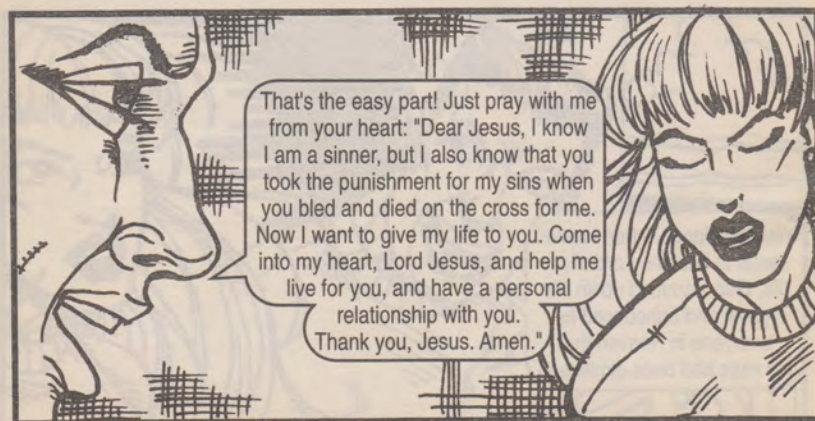

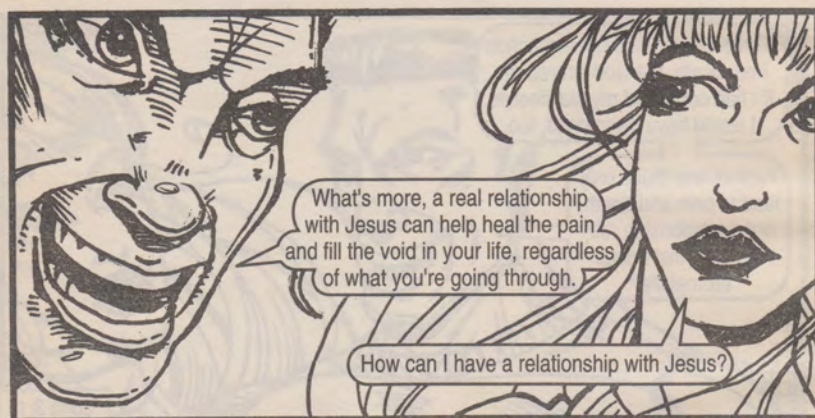

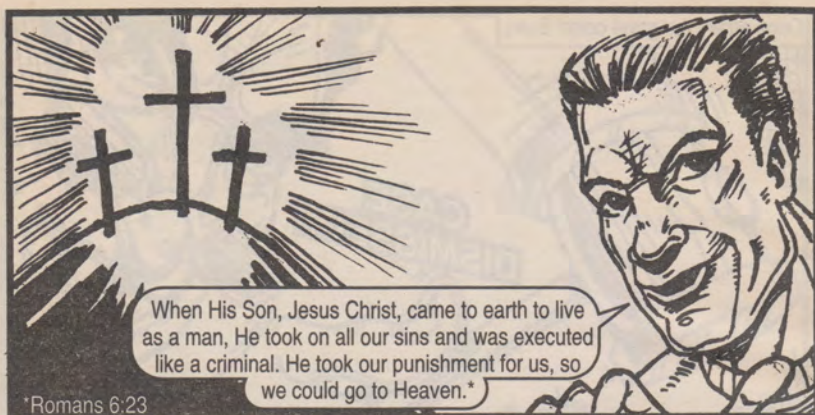

Alcohol and drugs only
lead to pain and death,
but a relationship with
Jesus Christ brings
eternal life!*

The woman, on the right, has long hair and is looking towards the man with a concerned or surprised expression. Two speech bubbles are present, one from the man and one from the woman.

*John 3:16

You see, Jamie, when I asked
Jesus to become Lord of my
life, God slammed down His
gavel and announced to
everyone in Heaven that
my case had been dismissed!!

THE BIBLE SAYS THERE'S ONLY ONE WAY TO GET TO HEAVEN!

Jesus said, "I am the way and the truth and the life:
No one comes to the Father except through me."

***ONLY JESUS CAN SAVE YOU!
HERE'S HOW YOU CAN PUT YOUR FAITH IN HIM TODAY!***

Dear Jesus, I know I am a sinner and cannot save myself. I believe that you are the only son of God. You died on a cross and gave your precious blood so that I could be saved. I am willing to turn away from my sins. Jesus, right now, I invite you to come into my heart and life and be my personal Saviour. Wash my dirty sins away with the blood you shed when you died for me on that cross. Thank you Jesus for saving my soul. Since you died for me I will live for you!
